 24. Open fires are not permitted in the Tourist Park.
 25. It is an offence to feed the wildlife and therefore it is not permitted.
 26. Firearms are not permitted in the Park.

Please do not feed the birds and animals!

Feeding birds and animals artificially increases the size of the population and results in wildlife becoming dependent on human feeding to survive. This is especially bad for young birds because they won't learn to fend for themselves. Human food, particularly bread, is nutritionally inadequate as it lacks the vitamins and protein required by wildlife to develop and survive.

Water restrictions are in force in Sydney

Currently there is a drought in New South Wales. While staying in Sydney please be mindful of your water usage.

To help use less water do not leave the tap running while washing dishes and brushing teeth, have shorter showers and wait until you have a full load before doing washing.

The use of hoses is currently prohibited.

MANAGEMENT MAY, UNDER THE NATIONAL PARKS AND WILDLIFE ACT 1974, REMOVE FROM THE TOURIST PARK ANY PERSON WHO FAILS TO COMPLY WITH A DIRECTION AND ANY VEHICLE, VESSEL, ANIMAL OR OTHER PROPERTY IN THE POSSESSION OF THE PERSON, OR ISSUE AN ON THE SPOT FINE.
